PennDOT inspectors close Arcola Road Bridge

Norristown, PA (August 16, 2013) – PennDOT inspectors today inspected the Arcola Road bridge and ordered it closed immediately due to concerns for the safety of users.

This closure took effect immediately, and traffic will be diverted from the bridge via a signed [detour](#). While the bridge is closed, Montgomery County and PennDOT will continue to aggressively pursue the engineering, design and other necessary steps to replace the bridge.
