

WAWA comes to Oaks!!

The long awaited development of the Oaks Shopping Center is about to begin. This new center at the corner of Black Rock Road and Egypt Road is scheduled to include a WAWA, Wendy's and Buffalo Wild Wings along with other yet to be determined new tenants. Construction on this project is anticipated to start within the next two weeks. This 18 month construction schedule includes extensive improvements to the Route 422 on and off ramps and signals and widening on Egypt Road. Temporary traffic patterns and construction workers and equipment are to be anticipated in and around these roadways. We ask the public's patience and respect in dealing with these temporary traffic control measures.
