

**TOWNSHIP of UPPER PROVIDENCE  
OFFICE of the FIRE MARSHAL**

**QUALIFICATIONS FOR FIRE ALARM INSTALLATION/  
SERVICE PERSONNEL**

In accordance with Section 4.3.3 and Section 10.2.2.5 of the 2002 Edition of NFPA 72 (National Fire Alarm Code), all fire alarm service personnel must be experienced in the installation, inspection, testing and maintenance of fire alarm systems.

The Upper Providence Township Fire Marshal's Office will accept the following as evidence of qualifications to work on a *non residential* fire alarm system:

- A factory trained and certified individual
- An individual fire alarm certified by the National Institute for Certification in Engineering (NICET) Installers shall be certified to minimum of NICET Level II
- An individual fire alarm certified by the International Municipal Signal Association (IMSA)
- A trained and certified individual employed by an organization listed by a national testing laboratory for the servicing of fire alarm systems (Underwriters Laboratories or Factory Mutual)

The following will be accepted as evidence of qualifications to work on a *residential* fire alarm system:

- Any person with qualifications to work on a nonresidential fire alarm system
- A person who provides evidence of satisfactory completion of the Practical Fire Alarm Course presented by the National Burglar and Fire Alarm Association, Inc. (NBFAA)

---

**AFFIDAVIT OF TRAINING AND EXPERIENCE**

I, \_\_\_\_\_ represent that I am qualified to install and/or service fire alarm systems because I am:

- A factory trained and certified individual
- Fire alarm certified by the National Institute for Certification in Engineering (NICET)
- Fire alarm certified by the International Municipal Signaling Association (IMSA)
- A trained and certified employee of an organization listed by a national testing laboratory for the servicing of fire alarm systems (Underwriters Laboratories or Factory Mutual)
- An individual who satisfactory completed the Practical Fire Alarm Course presented by the National Burglar and Fire Alarm Association, Inc. (NBFAA)
