

**TOWNSHIP OF UPPER PROVIDENCE
OFFICE OF THE FIRE MARSHAL
OPEN BURNING PERMIT # _____**

Pursuant to compliance with the requirements of the **Township of Upper Providence Open Burning Regulations**, attached to this form, the Fire Marshal hereby issues this Open Burning Permit. The person listed as the recipient of the permit shall abide by the requirements of the stated regulations and assumes all responsibility for any and all damage that may occur. If in the course of conducting the open burning at the location shown the burn;

- Exceeds the size deemed controllable by the requestor
- If atmospheric conditions change, or
- The conditions stated in the Open Burning Regulations are not being followed

the Fire Marshal or the Fire Chief of the Fire Department responsible for the area in which the burn takes place, may require the permit holder or the Fire Department to extinguish the burn.
