The Remembrance Tree Program

“Perhaps nature is our best assurance of immortality.”
-Eleanor Roosevelt-

A Living Tribute The Remembrance Tree Program offers participants a unique way to honor a loved one or remember a special event by donating a tree to a Township park. The Parks and Recreation Department will plant a tree in a township park and attach a tree tag containing the type of tree, the name of the donator(s) and the name of the honored person/event. Program participants receive a commemorative certificate and a map identifying the location of their donated tree. Trees can grow for several hundred years making them an enduring, living memorial for a loved one or a wonderful way to honor someone on their birthday, marriage, anniversary or any special occasion.

The Tree You Dedicate You can request a shade, flowering or evergreen tree. Remembrance Trees are approximately 2 -2 ½ inches in diameter (caliper) and 5-6 feet tall. Any Township park, with an existing landscape design, is open to Remembrance Tree participants. If your desired park location is not available, you will be contacted and asked to select another park. The exact location of a tree within your selected park is at the discretion of the Parks and Recreation Department.

Cost Remembrance Trees can be donated at the price of \$250.00 each. Make checks payable to the Upper Providence Township. Payment must accompany returned order forms.

How The Program Works

1. Complete the Remembrance Tree order form and return it to the specified address. If you have questions or require additional information please contact the Recreation Department. Be sure to enclose your payment with the order form.
2. Orders received between:
 - January 1 and June 30 will be planted between November 15 and January 31.
 - July 1 and December 31 will be planted between February 1 and April 30.

Planting schedules may be affected by weather and the availability of plant material.
3. After the tree has been planted, the notification person specified on the order form will receive a certificate and a map showing the approximate location of the tree.
4. A Remembrance Tree tree tag will also be placed on the tree with the specified dedication information when it is planted.
5. Remembrance Trees have a 3-year replacement guarantee. If a tree should die within three years of its original planting, please notify the Recreation Department and a replacement tree will be planted during the next available planting season.
