Township Solicitor

Joseph E. Bresnan, Esq.

Dear Community Members:

As Montgomery County begins transitioning to Governor Tom Wolf's yellow phase, Upper Providence Township will attempt to keep you up to date on phase changes and what that means for our community. As we transition through the phases, please use the following link to the Governor's website for the most updated information. [Governor Wolf's Phases](#)

We currently offer virtual programming, and we understand the need to have physical programming return. It is with our community's safety in mind that we follow Governor Wolf's guidelines for reopening with great determination and enthusiasm.

At this time, our 2020 summer camp programs have been cancelled. All Township playgrounds and athletic fields remain closed. Usage or rentals of fields, pavilions, buildings and facilities are not permitted. Walking trails and open spaces will remain open. All Pennsylvanians should continue to maintain social distancing even as the reopening and easing of restriction process begins.

In response to the COVID-19 pandemic, the Township Administration Building is currently not open to the public, staff are accessible by phone (610-933-9179) or email uptparksandrec@gmail.com. Thank you for your patience and understanding during this difficult time.
