GRANT NEWS

UPPER PROVIDENCE TOWNSHIP RECEIVES GRANT FUNDING

Upper Providence Township Awarded \$3 Million Multimodal Grant from PennDOT

Upper Providence Township was awarded a \$3 Million Multimodal Grant from PennDOT. The grant will be used for the Black Rock Road Roundabout and Route 113 Bridge Reconstruction Project. The \$3 million awarded is the highest amount permitted for Multimodal Grants. The Township Board of Supervisors and staff are extremely grateful to all the people who helped with the grant application and award including Governor Josh Shapiro, Senator Katie Muth and Representative Joe Webster.

Upper Providence Township, Montgomery County, has experienced significant growth of over 3% per year (2020 to 2023) in population according to the U.S. Census data. We are pleased that people desire to live and work in our community and the Township works to provide resources

and infrastructure improvements for all our residents. The Multimodal Grant will help us address traffic congestion that impacts emergency response times and commuter wait times.

Upper Providence Township Receives \$700,000 Funding Grant

Upper Providence Township was just notified that we received \$700,000 in state grant funding for the UPT Public Works fuel station safety and relocation project. Thank you Rep. Joe Webster, Senator Katie Muth, Black Rock Vol Fire Co., and Trappe Borough who supported us in this grant acquisition.

Upper Providence Township Awarded \$1.5M RACP Grant

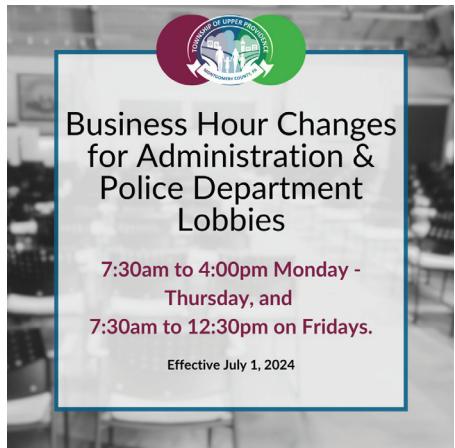

Upper Providence was awarded \$1.5 million in RACP money towards the relocation and expansion of the township's public works facility. The Redevelopment Assistance Capital Program (RACP) is a Commonwealth grant program administered by the Office of the Budget for the design, acquisition, and construction of regional economic, cultural, civic, recreational, and historical improvement projects. We thank Senator Muth and Representative Webster for their support in the acquisition of this funding.

Meet the Planning Commission

Parcels in Development 10-07-2024

- Minor Subdivision
- Final Plan Approved
- Final Plan Under Review
- Preliminary Plan Under Review
- Tentative Plan Under Review
- Under Construction
- Zoning Text Amendment (Pending)

The Planning Commission is made up of five resident members. Their responsibilities include reviewing most development proposals for the township.

Working in conjunction with the Planning and Zoning Department, the commission determines a project's feasibility and studies the impact on the surrounding area and traffic. When reviewing new or planned development, the commission must also ensure the plan adheres to all township codes including open space zoning requirements as defined in the township's zoning ordinance. Once plans have been reviewed, the commission submits them to the Board of Supervisors with their recommendations.

The Planning Commission meets twice a month on the 1st and 3rd Wednesday's. Recent agenda items included the Amelia Street Townhomes and a subdivision on Mennonite Road. Geoffrey Grace a

consultant for the township, is the Director of Planning and is also the township's Zoning Officer. He serves on the Planning Commission as the township representative. Geoff is in the township every day and available to the public during normal business hours. He is responsible for evaluating the plans that are submitted to the township as well as working on the overall comprehensive plan. He coordinates with developers and their legal representatives and reviews applications for recommendation to the Planning Commission.

Geoff considers his role in the Planning commission as both administrative and legal. He manages all the land development applications and "makes sure they meet their clock" and assists in getting them through the process. Geoff considers the Planning Commission as "probably the prime place for residents to get info about land development." He also says attending the Planning Commission meetings is "a great opportunity for the public to interact with the government."

Police

Meet Officer Jeffrey Hilt

Jeffrey Hilt is an administrative Sergeant in the Upper Providence Township Police department. He has been in this role since 2018. In this role he is the head evidence custodian, fleet manager, quarter master, and is responsible for uniform crime report (UCR) submissions. Prior to this role he was a patrol sergeant and a corporal.

Jeffrey has been employed with the Upper Providence Township Police Department for 30 years. In his career with UPT he has worked in the accident investigation unit, the motorcycle unit, and has been the defensive tactics instructor.

Jeffrey holds a bachelor's degree from Saint Joseph's University in criminal justice. He is also a recent graduate of the Northwestern University School of police staff and command.

Fire and Emergency Services

Fire and Emergency Services Presents Awards of Appreciation

The Upper Providence Township Fire and Emergency Services department was formed many years ago by a group of dedicated township employees who helped develop what has become an exemplary 24/7 full-time fire department.

At the Board of Supervisors meeting on October 21st, 2024, the Department of Fire and Emergency Services was proud to present awards of appreciation to a few very special staff members for everything they accomplished since 2007 to help develop our current fire department.

These township employees, along with others from Public Works, Codes, and Administration staffed Engine 93 during weekday hours to help supplement our partner volunteer fire companies.

Plaques of appreciation were presented at the Board of Supervisors meeting on October 21st by Chiefs Risell and Dimmerling.

Pictured (L-R) Chief Mike Risell (DFES), Matthew Light (Building Code Official), Don Kelly (Asst. Public Works Director), Tom Broadbelt (Public Works Director), Josh Kelly (Public Works Foreman – Grounds), Deputy Chief Tom Dimmerling (DFES). Missing from photo are Sean Murtha (Public Works Foreman – Roads) and Scott Musselman (Public Works)

Be #UPT Flood Ready

Are you prepared for a flood? The UPT Office of Emergency Management offers tips to be prepared for flooding. Learn how you can prepare your home for flooding, prepare an emergency kit, make a plan, and stay safe during a storm. Download the poster <https://www.uprov-montco.org/463/Flood-Preparation-Tips>

Register for alerts from ReadyMontco: Upper Providence

Emergency Management uses this app to communicate with residents and visitors about emergencies.

Prepare your home for flooding:

- Keep gutters and downspouts clean.
- Make copies and store important documents in a safe place.
- Secure external propane tanks and anchor indoor fuel tanks.
- Elevate utilities like air conditioners, heat pumps, and meters.
- Install a water alarm and sump pump in your basement.

Make an emergency kit for your home and vehicle to sustain you, your family, and pets for three days:

- Drinking Water (1 gallon per person, per day)
- Non-Perishable food
- Battery-Powered weather radio
- Flashlight with extra batteries
- First Aid kit
- Cell phone with chargers and battery backup
- Pet food and supplies
- Hygiene items, toiletries and prescription medication

Staying Safe During a Storm

- Be prepared to evacuate. Know where you will go before you need to leave.
- Listen to emergency alerts and evacuate before you need to be rescued.
- Don't drive around barricades or through flood waters.
- If water is at your front door, it's time to go!

Understand the Risk of living in a Flood Zone

- Know when and how to evacuate to safety.
- Talk to your agent about Flood Insurance.
- Document and photograph your valuables.

Make a Plan and tell family members:

- Where you will go
- How you will get there
- Who will go with you
- What to take with you

Make Financial Preparations

- Purchase homeowners' or renters' insurance and make sure policies are up to date.
- Open a rainy-day savings account.

Keep important documents safe and make copies:

- Identification (driver's license, passport, birth certificates, Social Security Cards)
- Vehicle and boat registrations, titles, and insurance.
- Bank accounts, mortgage, wills, and utilities.
- Medical and prescription records

Recovering After a Storm

- Floodwaters contain hazardous materials, sewage, and other contaminants. Don't swim or walk in floodwater.
- File a claim with your homeowners' or renters' insurance agent.
- Document any damage to your property with photos. UPT Emergency Management, PEMA, and FEMA will be conducting damage assessment surveys. Share damage information with them.
- Do not run generators indoors-they produce carbon monoxide which is a colorless and odorless gas that will kill you!
- Have copies of important documents ready for government assistance applications.
