

Upper Providence Township First Responders 5K Gauntlet Sponsorship Opportunities

Dear Community Business Partner,

I hope this message finds you well. I am reaching out on behalf of Upper Providence Township to invite you to become a valued sponsor for our inaugural First Responders 5K Gauntlet. This event is a unique opportunity to support a cause that directly benefits our community — the Emergency Services Academy Summer Camp for Kids.

This inspiring summer camp provides children with a hands-on experience, introducing them to the vital roles of our Fire, Police, and EMS teams. In light of the current challenges in recruiting new staff for these essential services, the academy plays a crucial part in sparking an interest in young minds to consider careers in these fields. By supporting this initiative, you will be contributing to the future of emergency services and nurturing the next generation of first responders.

We are seeking sponsors who share our commitment to community safety and who are eager to invest in the development of future heroes. Your support will not only help fund the camp but also ensure that we can provide a comprehensive, educational, and engaging experience for all participants.

As a sponsor, you will receive recognition in our promotional materials, event signage, and through our social media channels, offering you a platform to showcase your dedication to community development and public safety.

Thank you for considering this opportunity to make a meaningful impact. We are eager to partner with you and are happy to provide any additional information you may need. Please feel free to contact me at Shoffman@uprov-montco.org.

Warm regards,

Sue Hoffman
Director of Parks & Recreation
Upper Providence Township
Shoffman@uprov-montco.org

U. Mark Freeman
Chief of Police
