Plans must be approved by the Fire Marshals' Office prior to any event set-up. Approvals are subject to final inspection by a representative of the FMO. A copy of approved plans will be kept on file with FMO and with the event manager. No modification of the set-up shall occur once the approved plan has been established without prior written approval on the plans from FMO. Inspections will be conducted according to the approved plans.

**Inspection of the Event**

In order to maintain compliance with the provisions related to the Fire and Life Safety requirements, periodic inspections shall be conducted by a representative of the FMO. These inspections may include:

1. A walk-through inspection with the property manager, authorized representative or the Events Coordinator of the Convention Center may be required during the move-in/set-up period.

2. Any violations noted shall be corrected immediately or within the time frame agreed upon.

3. Daily visits by the FMO (once The Event has opened), as well as the township Building Inspector(s), as necessary. Cooking and motor vehicle display and use will be spot checked by a representative of the FMO, requirements will be strictly enforced.

4. During the closing (move-out) and removal of materials used in the Event, a representative of the FMO may inspect for maintenance of firefighting accessibility, i.e. exiting and fire lanes.

**Standby Personnel**

Whenever, in the opinion of the FMO, the safety of the public is imperiled, due to the number of the persons present or the nature of the activity, the owner, agent or lessee shall employ one or more FMO approved person(s) to perform the duties of Standby Personnel. If FMO personnel are used, the event will be billed at the current township approved rates.

**Stopping Event**

Upon finding any overcrowded condition or obstruction in aisle, passageways, or other means of egress (exiting), or upon finding any condition which constitutes a serious menace to life, the FMO SHALL cause the performance, presentation, spectacle, or entertainment to be stopped until such condition or obstruction is corrected.

**Special Considerations**

All decorative material, such as, but not limited to, drapes, theater curtains, signs, banners, acoustical material, hay/straw, split bamboo, plastic cloth, canvas, cardboard, etc. shall be of non-flammable material or shall be treated and maintained in a flame retardant condition by means of an approved flame retardant solution. Single hay bale will be allowed if it is properly treated with fire retardant. Plastic cloth and certain other plastic materials, tar-paper, nylon, oilcloth, etc. cannot be rendered flame retardant and are prohibited. Flame retarding treatments may be obtained from some fire protection companies listed in the Yellow pages of the phone book. Any decorative material that is not inherently or manufactured flame retardant (labeled) shall be subject to testing. Materials in violation shall be immediately removed from building.

All electrical fixtures and appliances must be approved in accordance with the National Electrical Code. Only fused multi-plug adapters will be permitted. Electrical code stipulations that will be rigidly enforced include:
a) three wire (ground) cords shall not be plugged into two (2) wire extension cords

b) extension cords (zip cords) shall not run under carpets/ rugs unless designed to

c) there shall be a three (3) foot clearance from lights to any combustible materials

d) all electrical plugs, cords shall be free from defects. Only listed electrical devices and cords shall be allowed. Homemade items will not be allowed and may be confiscated.

All required “EXIT” signs shall be visible at all times from any location in the room. Drapes, curtains or displays shall not block signs.

Exits and aisles shall be free of obstructions. Aisles shall be a minimum of 8’ wide with 10’ for the perimeter aisles in the Exhibit Halls and a minimum of 4 feet wide in Meeting rooms and Ballrooms. Booths which require 50 feet or more travel distance to reach an exit aisle shall be provided with a minimum of two (2) exits remote from each other.

Fire extinguishers and fire appliances shall be maintained clearly visible and accessible at all times. A minimum of 3 feet clearance shall be provided.

Aggregate booth square footage totals of 400 or more square feet shall have a minimum 2A:10B:C extinguisher available. Additional fire extinguishers may be required. Fire extinguishers shall have an inspection tag on it, new or not. Extinguishers must be readily accessible and ready for use.

The number of persons allowed to attend any show or exhibit shall not exceed the allowed occupancy limits, i.e., occupants standing to view or participate, and fixed seating capacity.

Pressurized tanks and other similar hazards shall be properly secured to prevent tipping over or damage (i.e.: helium tanks). Portable holders will be allowed.

Additional requirements may be determined by the FMO for each event
